

Seminar Savings Plan

Seminar is such an amazing event and you do NOT want to miss Seminar 2009!! To make sure you make the plane I have the following suggestions:

1. Open a separate savings account and make deposits every single week. Or if it is easier for you, tuck the weekly deposit in an envelope and hide it from yourself and others. Out of site—out of mind!
2. Know the basics! Basic expenses for seminar are around \$800. This includes \$175 Registration, \$300 Airfare, \$300 for Hotel (shared with 2-3 people) and spending money for cab fare, tips, coffee, etc. This is BASIC. Adding a little more each week could make your trip a bit more comfortable.
3. Break it down. Choose a plan:

Plan 1:

25 Week Plan = \$32 Per Week

Plan 2:

50 Week Plan = \$16 Per Week

There really is no secret to getting there. This plan is the equivalent of profit from one basic set aside per week. So pick a plan and start tracking yourself today cuz we have a date in Dallas! Can't wait to see you walk across stage and celebrate YOUR SUCCESSES at Seminar 2009!
